The Defender Matt cover is a high-quality case that effectively protects the phone from scratches, drops, and impacts. Made from durable TPU and PC materials, it features a slim design with a thickness of 1.5 mm, without visually adding bulk to the device. Reinforced edges and a raised lip around the camera provide additional protection, while precise cutouts ensure full compatibility. The matte back, resistant to fingerprints, prevents the phone from slipping, ensuring a secure grip and an aesthetic appearance.
