# Tempered glass 6D for Samsung Galaxy A26 5G black frame 10in1

OEM103069
5906961994462

6D tempered glass provides full edge-to-edge display protection, offering excellent transparency (99%) and high touch sensitivity. With a hardness of 9H, it effectively protects the screen from scratches, dust, and breakage. The oleophobic coating protects against fingerprints, and the advanced adhesive makes installation easy without air bubbles. The package includes 10 pieces of glass with cleaning accessories.
