The Anti Shock Chrome cover is a new version of the popular case, enhanced with chrome details. Its slim form (1.5 mm) provides full functionality without unnecessary bulk. Made of flexible TPU, it perfectly fits the phone, offering durability and comfort for everyday use. Raised edges protect the camera, while precise cutouts allow free use of the smartphone. The case features shock-absorbing corners, a textured interior surface, and micro-grooves that improve ventilation, grip, and user comfort.
