The Silicon cover is an elegant and functional case with a matte finish that provides a secure grip and minimizes the risk of the phone slipping from your hand. Made from high-quality silicone, it is durable, resistant to discoloration, and pleasant to the touch, while the additional microfiber lining protects the device from the inside. Precision cutouts allow full access to all ports and the camera without the need to remove the case. The product is packaged in an aesthetically pleasing blister, perfect for retail sale and display.
