Huslog electric shredder 300W Sharp Spin

AGDAOHUS100136
5902983644477
HUS1080

Compact electric chopper with a power of 300 W, designed for quick chopping and mincing of ingredients in the kitchen. It features 4 crescent-shaped stainless steel blades working on two levels, which supports even chopping of both soft products (herbs, onion) and harder ones (nuts, meat). The device is conveniently operated with a momentary switch (control of the degree of chopping), and the 500 ml container with a measuring cup makes it easy to measure ingredients. Removable parts simplify cleaning, and the ABS and stainless steel construction enhances durability.

Specification

Type of product:	shredders
Colour:	black
Brand:	Huslog
