

Worklight LED 2x30W 6000K with tripod Forever Light

RTV03600002
5900495926111

LED floodlights are equivalents of an energy source that extinguishes halogens. Forever Light floodlights in 2 x 30W or 2 x 50 variants, characterized by high quality SMD LEDs with many examples. Each device was enclosed in a separate, waterproof section with a solid heat dissipation radiator. The product has a large range of 3 lighting angle adjustments. The full current angle is 360 ° horizontally and 300 ° vertically. Forever Light floodlights are illuminated and dustproof at the IP66 level. For a specialized association of the "tripod" type, it allows you to illuminate a large amount of space in any conditions. The durable and stable structure will prove useful at construction sites, for garden works or as additional workshop lighting. Proxim floodlights emit a neutral light color (4500K) or cold (6000K). The power of the equipment is a total of 4,800 lumens in the 2 x 30W or 8,000 lumens (2 x 50W) variant. The set includes a high-quality hermetic connector and a 3-wire 3-meter cable. The complete kit includes: 1. two floodlights; 2. tripod; 3. connector; 4. cable with plug; 5. instruction.

Especificación

Marca:	Forever Light
Color:	negro amarillo
Clase de eficiencia energética:	G
Temperatura cromática:	6000K
Frecuencia de servicio:	50-60 Hz
Natężenie prądu:	150 mA
Consumo de energía:	60 W
Número de lúmenes:	4 800 lm
Número de diodos:	32 uds.
Tipo de diodo:	2835
Ángulo de iluminación:	120°
Dimensiones del producto (mm) largo x ancho x alto:	1620 x 720 x 720
Dimensiones del paquete (mm) largo x ancho x alto.:	625 x 175 x 155
Tipo de cable:	3 x 0,75 mm ²
Clase de protección (IP):	IP66
Vida útil:	30 000 hr.
Temperatura de funcionamiento:	-25°C a +60°C
Tiempo de encendido:	< 0,5s
Tiempo de calentamiento:	< 1 s
Número de encendidos y apagados:	> 15 000
Factor de potencia (PF):	>0,9
Coeficiente CRI (Ra):	> 80
Dimmer:	no
Equivalente a una bombilla tradicional:	250 W
Factor de mantenimiento del flujo luminoso de la lámpara (LLMF):	85%
Garantía:	24 mc
