

Leather belt case Classic Model 13 for Note 3

T_0011252
5900495290618

High quality Callme holster designer for a wide range of mobile phones. It has a strong magnetic clip that prevents the holster from opening its flap. Made of high quality eco-leather, which provides high aesthetic value and long life. The interior of the holster is lined with soft material, which protects the display from scratches. Internal stiffeners protect against severe mechanical damages. The use of an innovative system callme snap- fastened on clip loop that makes use of the presented holster more comfortable and functional.
