5900495000286

Wireless and compact 10W Bluetooth speaker BS-10 from Forever. Extremely compact and functional wireless Bluetooth speaker, perfect for taking on trips and events. You can easily pack it in your luggage. We can fit it in any space, it will work great in home or on a trip. Many modes of RGB backlight, jumping to the rhythm, will build an interesting and dynamic mood. Enjoy high-quality sound. Deep bass and clear tones will be pleasing to the ears. The wireless speaker plays with a power of 10 W, and the operating time reaches up to 5 hours at maximum power. You can quickly charge the battery via the USB-C connector. Forever's BS-10 has an IPX5 waterproof rating, which makes it resistant to moisture and splashes. Perfect for outdoor camping. Do you dream of getting a stereo effect? The TWS function in the speaker allows you to connect devices from the same series to each other to emit sound. Forever's portable Bluetooth speaker BS-10 will prove itself in any situation.
