

Vmax tempered glass 2,5D Normal Clear Glass for Xiaomi Redmi Note 9

GSM176863
6976757300288

Protective Japanese Asahi Clear Glass is an excellent choice for your smartphone! Its ultra-clear glass not only maintains exceptional transparency but also provides additional protection with a 9H hardness. Additionally, thanks to the 2.5D rounded edges, the product fits perfectly on the screen, ensuring comfortable use. This glass is not only scratch-resistant but also waterproof, offering enhanced protection against everyday threats. Furthermore, the anti-fingerprint and anti-oil technology keeps the screen clean and free from usage marks. Forget about worries related to potential screen damage, thanks to the anti-break properties of this glass. Japanese Asahi Clear Glass is not just protection but also an enhancement of the aesthetics of your smartphone. Don't wait, secure your phone now!
