GUHCP14XHGPLHF

The case offers an effective design with a stylish pattern, finished with a golden Guess logo in a vintage style and protection at the highest level. The collection is inspired by the latest trends that dominate the largest fashion houses in the world. The case is made of thermoplastic polyurethane and is characterized by a unique motif that adds charm and emphasizes the prestige of your iPhone. In addition to the unusual visual effects, the case guarantees the security of the phone against unwanted scratches and damage. An exclusive case is all you need to look stylish and fashionable. The Porcelain collections offer both protection and a variety of patterns and colors to suit your personality and style.
