Wireless 20 Watt Bluetooth Speaker BS-20 from Forever

The speaker is ideal for taking on trips, parties, which is just as great in the house when you want to relax with music. It is compact and adjustable. Multiple modes of RGB backlighting, hopping to the beat, will build an interesting and dynamic mood.

Enjoy high quality sound. Deep bass and clear tones will be pleasant to the ears. The wireless speaker plays with as much as 20 watts of power, and the operating time reaches up to 5 h at maximum power. You'll be able to quickly charge the battery via the USB-C connector.

The BS-20 from Forever has an IPX5 waterproof rating, making it resistant to moisture and splashes. It will be great for camping in the great outdoors. Do you dream of getting a stereo effect? The speaker's TWS function allows you to connect devices from the same series together to emit sound simultaneously.

The BS-20 portable Bluetooth speaker from Forever will work in any situation.
