

Setty power bank 10000 mAh PB1-101 black outlet

GSM171206-OUTL
5900495681140

Power bank by Setty with a capacity of 10000 mAh, equipped with two USB outputs and two inputs - one micro USB and the other USB-C. Its capacity is enough to charge most phones available on the market several times. LEDs will inform us about the level of battery charge, and its small size allows you to always carry it with you. It is one of the indispensable accessories that will come in handy when traveling, at school or on a camping trip.
