GUHCN61KSARBK

Guess - the new Camouflage collection. The case is made of high-quality, durable and abrasion-resistant plastic. The collection is distinguished by a military camo pattern finished with a gold Guess logo, which is sure to attract attention. Apart from the extraordinary visual effect, the case guarantees the safety of your phone against unwanted scratches and damages. The practical cord in the colour of the case, which can be worn on the wrist, completes the look.
