A Guess case with a classic feel - a transparent classic case finished with the Guess logo in Vintage style. The case is designed as a unique alternative to the usual mobile phone cases, as well as to give a unique, original look. A product of a renowned company with exceptionally high quality made of strong and durable polycarbonate. The transparent case with printed Guess logo will emphasise the prestige of your device. The whole is complemented by a practical strap, which is a combination of elegant ecological leather and metal chain, giving you an extra chic look.
