

LCD Display with touch screen iPhone X Service Pack black

OEM100254

The product is a refurbished original OLED display. A high-quality touch panel with a glass is attached to the front. It has all the necessary components for mounting on a smartphone: - camera holder, - sensor holder, - speaker cover, Each panel is secured with foil that protects the screen from damage. The glass used for the production of the panel is characterized by high durability, which makes it more resistant to scratches and cracks.
