Silicone band for Xiaomi Mi Band 5 / 6 black

OEM101043 5900495035844

TelForceOne silicone straps are precisely made products for everyday use. The silicone used has a high durability, has a velvety surface and comfortable on the skin. The available color variants allow you to personalize the device and adjust it to your style. A simple and safe clasp allows you to adjust the strap to any wrist circumference. To extend the aesthetic appearance of the band, it should be protected against high temperatures, dyes and direct contact with cosmetics and household chemicals.
