

# micro and nano SIM cutter

T\_0008351  
5900495224309

The cutter is made of stainless steel. Thanks to the device, we can quickly and accurately cut a full-size SIM card to a smaller micro or nano size. In addition, the set includes three adapters for SIM cards, micro SIM and nano SIM cards, a key for the SIM card cover in the phone and a file.

## Specificație

Marca: TFO
