Maximus brand battery delivers the highest performance and increased safety. Innovative use of aluminum pouches in combination with cell design has enabled greater capacity. Tests confirm that the battery averages up to 107% of its rated capacity Q10. Maximus also provides higher safety. Continuously monitored operating temperature and the voltage levels on individual cells prevent the battery from overheating and, as a result, from being damaged.

Specificație

Marca: Maximus
Garanție: 12 mc

Compatibilitate

- Huawei P20 Pro
- Huawei Y7 (2019)
- Huawei Mate 20
