

Rebeltec Bluetooth speaker SoundBOX 460 black

AKKSGGLOREB00004
5902539600902

A portable bluetooth player controlled by a smartphone (bluetooth) or built-in buttons. A high quality D / A converter that allows you to restore lost files. The loudspeaker has a bluetooth mode, FM radio, pendrive, microSD card, AUX, Microphone IN and telephone calls. 2 102mm mid-bass speakers + 2 tweeters 37mm provide exceptional sound quality. In addition, you can adjust bass and treble yourself (bass, treble). Multicolored RGB backlight in several modes, gives the device a unique design, but if you want, you can also turn it off.
