

LCD Display with touch screen iPhone XS Max Incell FHD black

OEM100310
5900495877505

The product is a display made in TFT INCELL technology. It has all the necessary components for mounting on a smartphone: camera holder, sensor holder, - speaker cover. Each panel is secured with foil that protects the screen from damage. The glass used for the production of the panel is characterized by high durability, which makes it more resistant to scratches and cracks.
