

Tempered glass 6D matte for Samsung Galaxy A15 4G / A15 5G black frame

OEM102343
5907457723030

Matte 6D glass is a great solution for people who game and text a lot. It is a product that provides comprehensive screen protection. Made of tempered glass with a 9H hardness, this glass has anti-reflective properties that minimize reflections and reduce glare from sunlight. An important feature of this product is the matte coating on the surface of the glass. Thanks to it, you can enjoy comfortable use of your phone even in strongly lit environments.
