

## LCD Display with touch screen iPhone XR Oncell TFT

OEM001583  
5900495775207

The product is a display made in TFT technology. It has all the necessary components for mounting on a smartphone:- camera holder, - sensor holder, - speaker cover. Each panel is secured with foil that protects the screen from damage. The glass used for the production of the panel is characterized by high durability, which makes it more resistant to scratches and cracks.
