Kúpiť teraz

Power supply dedicated to phones, tablets, netbooks and laptops powered from the USB Type C socket. The set of security guarantees safe and stable operation of both the powered devices and the PSU itself. Additional safety for the equipment is ensured by the so-called technology used. gentle start, which neutralizes the shock associated with the first current impact during the start of the connected device. All Akyga power supplies are packed in an environmentally friendly EcoBox type packaging.
