8800299679855

Semi-Silicone MagSafe Case from the Mercury brand provides excellent grip and a precise fit, as well as ease of use of the phone while maintaining its full safety. The case is made of a high-quality material, which, as a result of the combination of silicone, polypropylene, and polyurethane, delivers both a flexible and pleasant-to-the-touch cover. The Semi-Silicone series has received an upgrade for MagSafe compatibility.
