

LCD Display with touch screen iPhone SE 2016 white AAAA

T_01590
5900495611291

The product is an improved quality of LCD screens compared to the AAA copy. The display provides high screen brightness and visibility from all angles. The screen has all the necessary elements for mounting on a smartphone: - camera holder, - sensor holder, - speaker cover, - sponges on the sides. The sponges prevent the tapes from bending too much and detaching when using the phone.
