Do you like interesting arrangements and playing with light? LED Forever Light neons will provide a beautiful effect of a colorful glow in the room. They are perfect as decorations for a shelf in the living room or decorative lighting in a children's room. The neon holder allows the lighting to be hung on vertical surfaces. Moody light will match the interiors of restaurants, bars and other spaces, where the colors will uniquely emphasize the atmosphere of the place. What distinguishes the neon lights is their uniform light scattering, without any noticeable points of light. Thanks to LED technology, neons consume relatively little electricity. The device can be powered by 3 AA batteries or a USB plug. Neon lights are available in many shapes and colors, including white, orange, green, red and pink. The device is made of white plastic. The dimensions depend on the type of pattern. Product Features: - LED technology; - wall hanging bracket; - fashionable patterns; - powered by 3 AA batteries or USB plug; - different light colors depending on the model.
